#7 "Saved by Wireless"

Ruth Bradley and Jimmy, rescued by the patrol boat, are taken ashore. Marnee and Renally are saved by one of their accomplices. Later, the Mystery Man and Doria appear at Marnee's den and present their credentials to him. Doria's credentials reveal to Marnee that their international chief has been betrayed, and many Terrorist leaders captured.

Lane sets out in pursuit of Marnee. While searching for the evil genius he receives an S.O.S. from Jimmy, in whose care he has left Ruth. The radio message says Renally, the Mystery Man and Doria have forced an entrance into the room. Marnee, escaping from Lane, crosses from one roof and another by wire. As Lane follows him, Marnee cuts the wire sending Lane to almost certain death.
